

## Exercise 2.6. True/False questions about adaptation, support products and assistive technology.

Please, decide if the following statements are true or false.

|   | <b>STATEMENTS</b>  |   | <b>True</b>   | <b>False</b>  |
|---|--|---|---|---|
|    | Maria will have less need to use support products in the future.                         |   |    |    |
|    | As Maria lost track cooking, a kitchen chronometer could be very useful for her.         |  |    |    |
|   | These buildings are suitable for elderly people to live in.                              |   |    |    |
|  | This bathroom can be used by any kind of people of all ages.                             |   |  |  |
|  | I am never going to need any environment adaptation at home, either any support product. |   |  |  |

|  | <b>STATEMENTS</b>   | <b>True</b>  | <b>False</b>   |
|--|---|--|--|
|   | <p>It would do me well to have a speaking alarm clock because I get lost sometimes when I go out from home.</p>   |   |   |
|   | <p>As I forget to take the medication on occasion, It would be helpful to have a mobile phone application to alert me of when I have to take it.</p>  |   |   |
|  | <p>As I sometimes get lost when I go out, It would be helpful to have with me or wear when I far from home a GPS tracker bracelet, a GPS pedestrian navigator or a GPS smart shoes/soles.</p> |  |  |
